

2019 WTA Banquet

February 16th, 2019 – Stevens Point, WI

2019 Keynote Speaker: Bryan Burkhardt

Bryan Burkhardt has been bowhunting with longbows and recurves for over 40 years. His father is still an avid bowhunter and served as a great mentor for Bryan and his four brothers. Bryan grew up in Michigan and family vacations to northern Michigan always included a visit to the Fred Bear museum in Grayling, Michigan. The Fred Bear museum, filled with animal mounts from around the world, served as fertile ground for creating childhood dreams of bowhunting far-away destinations.

Bryan has been blessed to bowhunt several exciting destinations. Whether it's chasing musk ox in the Arctic or plains game in Africa, Bryan loves the challenge and adventure of bowhunting with a stickbow. The lure of Alaska has captivated Bryan and he's made over 20 trips to the last frontier. Bowhunting the world's largest deer species in the vast, remote wilderness of Alaska provides the perfect escape for Bryan each year. This year will mark his 11th consecutive do-it-yourself bowhunt for moose.

Bryan and his wife Kim currently reside in Michigan. However, Bryan is constantly day dreaming of spending more time in Alaska.
